

**From:** J. Marvin Herndon [mailto:mherndon@san.rr.com]

**Sent:** Friday, July 15, 2016 2:57 PM

**To:** Frontiers Editorial Office; Frederick Fenter; Judi Krzyzanowski

**Cc:** 'J. Marvin Herndon'

**Subject:** Unwarranted negative publicity, both for me and Frontiers in Public Health

**Importance:** High

Retraction Watch has published information attacking my Frontiers paper that reflects badly on me and on Frontiers in Public Health. It is fundamentally wrong and unethical to question my credibility/capability/integrity based upon remarks by persons whose identities, like their remarks, are kept secret – shades of the Spanish Inquisition.
